3. PHARMACEUTICAL FORM

Cutaneous Spray Solution

4. PACKAGE SIZE

150 ml

5. TARGET SPECIES

Cats and Dogs

6. INDICATION(S)

[Optional. In case of space restriction and if the indication is clear from the name of the product, the indication should not be repeated]

What does this spray do?

Beaphar Pump Action Flea Spray for cats and dogs kills fleas living in their coats.

7. METHOD AND ROUTE(S) OF ADMINISTRATION

How do I use this spray? Do not exceed the recommended spray rate. Avoid eyes, mouth and nostrils. Brush the fur against the lie of the coat. Hold the spray 15 inches (40 cm) from the coat, and spray as detailed below:

Cats: No more than 3 pumps on each side.

Lightly towel fur to remove excess spray before allowing cat to groom.

Dogs: Small (1.5 – 5 kg) : 3 pumps on each side

Medium (5.1 – 15 kg) : 6 pumps on each side

Large (15.1 – 30 kg) : 10 pumps on each side

Work from the rear of the animal to the head.

Keep treated animals away from fires and other sources of heat for at least 30 minutes following spraying and until fur is totally dry.

Treatment can be repeated 4 or 5 days later, if necessary.

For external use only.

Fleas spend three-quarters of their life cycle off your pet, in bedding, carpets, and soft furnishings. Treat these areas with a suitable household insecticide and vacuum regularly.

8. WITHDRAWAL PERIOD

N/A

9. SPECIAL WARNING(S), IF NECESSARY

Is it suitable for my pet? Do not use on puppies and kittens under 6 months of age, or on nursing mothers. Do not use this spray if you are using other insecticides on your pet (shampoo, spray, powder, etc.). Occasionally, excessive salivation may occur in cats following use of the product as recommended. This effect is usually transient but, if noted, consult your Veterinary Surgeon. If signs of disease persist or appear following treatment, consult your Veterinary Surgeon.

What precautions should I take myself?

Do not smoke when using this product. Use in a well-ventilated area. Do not breathe spray mist. Avoid contact with eyes and mouth. In case of accidental eye contact, rinse with clean, fresh water. If eye irritation persists seek medical advice. Persons who are hypersensitive (allergic) to pyrethrum extract should handle the product with care. Treated animals should not be allowed to sleep or play with people, particularly children, until the animal is dry. Wash hands and exposed skin after use. Keep away from food, drink and animal feedstuffs. Avoid spraying onto polished furniture and delicate fabrics. **FLAMMABLE** – Do not spray on or near a naked flame, or on incandescent materials, hot surfaces, or electrical equipment.

Do not allow dogs to swim for 24 hours after applying the product.

10. EXPIRY DATE

EXP: end {month/year}

11. SPECIAL STORAGE CONDITIONS

What should I do with the spray before and after use?

Do not store above 25 °C. Protect from direct sunlight.

12. SPECIFIC PRECAUTIONS FOR THE DISPOSAL OF UNUSED PRODUCTS OR WASTE MATERIALS, IF ANY

What should I do with the spray before and after use?

Dispose of any unused product and empty containers in accordance with guidance from your local waste regulation authority.

Environmental Warnings: Dangerous to fish and aquatic life. Do not contaminate aquaria, fish bowls, ponds or other waterways with the product or used containers.
