Cutaneous Spray Solution

4. PACKAGE SIZE

150 ml

5. TARGET SPECIES

Dogs

6. INDICATION(S)

For the control of fleas on dogs and puppies over 12 weeks of age

Kills fleas

What does this product do?
Beaphar Dog Flea Spray is a spray solution which controls fleas on your dog and prevents their return for 3-4 days. Repeat after 3-4 days if any re-infestation is apparent. Most fleas live around the dogs immediate environment, including carpets, soft furnishings and dog
beds, so it's important these areas are treated with a suitable household insecticide and vacuumed regularly.

7. METHOD AND ROUTE(S) OF ADMINISTRATION

How do I use this product?
Comb your dog's fur the wrong way, to expose skin. Spray the root of the fur and skin with Beaphar Dog Flea Spray from a distance of 15cm, following the size guidelines below. Work from tail to head. Comb the coat back into place and remove

any excess moisture straight away by drying with a towel. Do not exceed recommended dosage.
For a small dog e.g. Terrier Max. 25 pumps
For a medium dog e.g. Collie Max. 35 pumps
For a large dog e.g. German Shepherd Max. 50 pumps

8. WITHDRAWAL PERIOD

N/A

9. SPECIAL WARNING(S), IF NECESSARY

<User Warnings>

Is this product safe for my dog?
Beaphar Dog Flea Spray is safe for almost all dogs. However, do not use on dogs under 12 weeks old, if your dog is sick, getting over an illness or is feeding puppies. In these cases, use a flea comb or speak to your vet.

What precautions should I take to protect my dog?
Do not use the spray whilst using any other flea control products on your dog. Do not spray into your dog's eyes, mouth or ears, or onto other sensitive areas. Make sure your
dog does not lick themselves until their fur is dry. Keep your dog away from fires and other sources of heat for 30 minutes after spraying and until the coat is totally dry. The spray is for
external use only. If signs of disease persist or appear consult a Veterinary Surgeon.

What precautions should I take to protect myself and family?
CAUTION FLAMMABLE. Do not spray on a naked flame or any incandescent material. Do not smoke when using this product. Do not breathe spray mist and use in a well ventilated area. Avoid contact with eyes. In case of accidental eye contact, rinse with clean, fresh water. If eye irritation persists, seek medical advice. Wash hands and exposed skin after use. Persons who are hypersensitive (allergic) to pyrethrum extract should handle the product with care. Treated animals should not be allowed to sleep or play with people, particularly children, until the animal is dry. Keep away from food and drink, including animal feeding stuffs. KEEP OUT OF THE SIGHT AND REACH OF CHILDREN.

10. EXPIRY DATE
