VMD/L4/GAT/014/C 3/5

# **MODULE 3**

### **PUBLIC ASSESSMENT REPORT**

	Informed consent application in accordance with						
application	Article	13c	of	Directive	2001/82/EC	as	
	amended.						

## I. SCIENTIFIC OVERVIEW

The quality / safety / efficacy aspects of this product are identical to Droncit Spot-on Solution. The initial application for Droncit Spot-on Solution was assessed before there was a requirement to have a public assessment report, therefore no details in this section are available.

### II. OVERALL CONCLUSION AND BENEFIT- RISK ASSESSMENT

The data submitted in the dossier demonstrate that when the product is used in accordance with the Summary of Product Characteristics, the benefit/risk profile of the product(s) is favourable
